

Yellowstone Year Round Safaris

Lake Yellowstone & Grand Canyon Snow coach Safari

The Itinerary is designed to take advantage of the best opportunities in Yellowstone Park, but may be adjusted to adapt to weather conditions, animal movements, holidays, and road construction.

This Safari is for those that wish to explore a region of Yellowstone few snow coach visitors get to experience. This Itinerary has something for everyone, from thermals and wildlife to spectacular winter landscapes.

Day 1 Welcome and Orientation

7am Orientation in Best Western Conference room around the corner from The Lobby.
Introduction to Yellowstone, program overview, clothing, equipment review, safety review and question and answer session.

7:30am Grand Canyon Snow coach tour

Meet in the Hotel Lobby with gear for the day (pack, water, and appropriate clothing), ready to load.
Depart for Grand Canyon area via snow coach with interpretive stops along the way.
Stops at the Grand Canyon of Yellowstone with interpretive stops at the Upper Falls and Lower Falls, Both encased in ice and snow.
Following the Yellowstone River into the Hayden Valley we will be watching for trumpeter swans and otters alongside the frozen shoreline.
Traveling on exploring the unusual thermals of the Mud Volcano and Dragon's mouth spring.
Stopping for lunch at Lake Yellowstone alongside the shores of this vast frozen body of water.
On the trip back you will have the opportunity to view some of the Yellowstone's Diverse and abundant wildlife; bison, elk, coyotes, wolves and a variety of bird species, from Canadian Geese to Bald Eagles.

5:30 pm Return to the Best Western by Mammoth
Check in any equipment used.
